

COVID-19 UPDATE

Winchester Golf Club

We thank all our members and patron for patience and support as we continue to navigate through the everchanging COVID-19 world that we are living in. We hope this note finds you and your family healthy and well. As always, your safety and that of our staff has been and will continue to be a number one priority. We are working hard to keep our facility, golf carts, etc. safe and will continue to do so as it appears that COVID-19 will be around for an extended time.

Golf in Indiana was deemed a "safe" activity by our Governor and our local health officials from the first stay at home order. We can remain "open" for outside play if we follow the list of mandates and parameters. Governor Holcomb laid out a 5-stage plan for the soft re-opening of Indiana with some mandates and parameters have changed.

- SOCIAL DISTANCING MUST CONTINUE TO BE FOLLOWED AT ALL TIMES - groups gathering in proximity will not be allowed.
- Food service - our food service is open for inside dining (limited capacity), including our outdoor patio area. We have spaced our tables farther apart to comply with social distancing guidelines. Carry out and curbside pickup services are available as well. Call in order phone number 765-584-5151.
- The clubhouse is open, and we are asking all who enter to please wear a mask. We are limited on the number of people allowed in the clubhouse at one time. Social distancing (6 feet apart) must be followed.
- You may pay with cash, credit card, or you may prepay online or over the phone for golf.
- The clubhouse restrooms are open but restricted to one person in the restroom at a time. The restrooms on the golf course are available for use.
- The driving range is open - the golf balls, range baskets, range tokens, range machine, and bag stands will be sanitized daily and ball machine tokens after each use.
- Our Trackman Indoor Simulator is OPEN. As always, you may rent it by the hour and half hour. Rates are \$30 per hour and \$15 per half hour.
- Golf carts - We will now allow 2 people to a cart for those wanting to ride together or if you wish a to be a single rider, there will be a \$3.00 surcharge for 9holes and a \$6.00 surcharge for 18 holes so we may cover our increased labor and gasoline costs. Groups of 3 will not be charged the single rider fee as that is not avoidable on your part.
- Golf leagues will follow social distancing and "gathering" mandates.
- Golf Instruction (lessons and club fitting) are available by appointment only.
- On course flagsticks, rakes, and ball washers are not sanitized daily and are handle at your own risk.
- Scorecards are available in the pro shop and will not be located on golf carts.
- Should state or local mandates change we will respond accordingly.

If you have any questions, please feel free to discuss them in person, by phone (765-584-5151), or by email (winchestergc@frontier.com).
